OUR TOMATOES

The range of the Tomatoes at Turita includes sun dried tomatoes, tomato confit, and cherry tomato confit

Subtly flavored, they will perfectly complement and enhance your sauces, salads, cold dishes, pasta, aperitifs, let your imagination run wild!!!

OUR MARINATED ANCHOVIES

Turita's marinated anchovies consists of quality fish caught in the Mediterranean and the Bay of Biscay for the MSC. The fish are delicately washed and filleted and then immersed in the marination. Marinated anchovy fillets are the ultimate Mediterranean appetizer.

Also available in MSC

Served as is, on toast with dried tomatoes, or on chicory leaves, they create a friendly and sunny atmosphere at the aperitif hour. They are also appreciated to garnish salads, pastas, sandwiches and pizzas.

OUR SEAFOOD SALADS

Turita offers a range of ready-to-eat seafood salads, typical of Mediterranean gastronomy. The finest varieties of shellfish are selected and marinated in the traditional way. This assortment of mouthwatering salads can be served as an aperitif, an appetizer in a cold buffet, and is a perfect companion for a good glass of wine.

PRIVATE LABEL

The private label process begins with an appointment and a meeting with one of our export managers.

The minimum order quantity for production depends on the recipe and the packaging chosen.

We may deliver your orders by truck, container or even by plane. It is also possible to organize your own collection of goods.
